BEDDING PLANTS

WHICH MAY RESEED OR OVER WINTER

This is a list of bedding plants which are annuals, though they may or (may not) reseed and appear the following year, due to a mild winter or if in a protected area. There may also be other varieties.

Annuals which reseed:

| | |
|--------------------|------------|
| Ageratum | Larkspur |
| Alyssum | Lobelia |
| Balsam | Marigolds |
| Calendula | Nasturtium |
| Candytuft (annual) | Nicotiana |
| Cleome | Nigella |
| Cosmos | Pansy |
| Godetia | Viola |

Annuals which may winter (mild) over:

| | |
|-------------------------------|----------------------------|
| Boston Daisy | Dusty Miller |
| Brachycombe | Helichrysum (straw flower) |
| Campanula | Lantana |
| Carnation | Marguerite Daisy |
| Centaurea | Pansy |
| Crysanthemum | Petunia |
| Chynoglossum | Salpiglossis |
| Dahlia | Salvia |
| Dianthus | Scabiosa |
| Dimorphotheca | Snapdragon |
| Dianthus | Statice |
| Dimorphotheca (African Daisy) | |
| Dusty Miller | |
